

R Program References

Best Resource:

1. Quick R [<http://www.statmethods.net/>]

You can find answers to most of your questions you may have at this point.

2. Introduction to R [<https://cran.r-project.org/doc/manuals/r-release/R-intro.pdf>]

Other resources

Since R program is an open-source program, there are many documentations and tutorials available online. The best way to find the answers to your question is usually write your question in "Google" (or any other search engine you prefer). However for the organized introduction of R, you can refer to the following web-sites as well.

Prof. Dr. Ibrahim Özkan's web pages

<http://yunus.hacettepe.edu.tr/~iozkan/rintro/Rintro.html>

<http://yunus.hacettepe.edu.tr/~iozkan/rintro/Rdataimport.html>

Other tutorials such as
