

## **ECO448 Student Survey**

This survey will be used only for the purposes of helping the instructor to design the course according to the students' demands and interests as much as possible. This survey **WILL NOT** have any influence on your course grade in any way. Please fill out the following items as much as you can to let the instructor know who you are and what you wish to gain from the class. I appreciate your cooperation.

1. Name :

2. Year:

3. Why have you registered to this course?

4. Why are you interested in the course?

5. Are you interested in any specific environmental issues?

6. Do you have any requests for the course material and topics?

7. Do you have any requests for the instructor?

8. Career interests

Thank you!
